

## Poster Theme

ICBF and Sheep Ireland are inviting submissions for poster presentation for the poster session themed "*Current Research in Animal Genetics*" which will be held during the inaugural ICBF and Sheep Ireland genetics conference December 5<sup>th</sup> and 6<sup>th</sup> at the Hodsan Bay Hotel Athlone. Research conducted in collaboration with ICBF and/or Sheep Ireland is a requirement.

## Submission

Please submit your poster title to [info@icbf.com](mailto:info@icbf.com) by **21<sup>st</sup> November 2018**.

## Poster Information

Posters will be on display from 10 am Wednesday 5<sup>th</sup> December with the official opening of the poster session being presided by Minister Creed at 6 pm. You will be required to be present at your poster during the 6 pm session.

Posters should be printed as a standard **A0 size** (84cm X 119cm or 33in X 47in) and should be **portrait** (not landscape). Please note that posters that are not A0 portrait size will not fit on the poster board. Each poster is allocated one side of one poster board.

On arrival Wednesday 5<sup>th</sup> December, please register at the registration desk and you will be directed to your allocated poster board. You will be provided with hook Velcro to hang your poster board.

Please note that the hanging, taking down and storing of posters is the poster presenter's responsibility. Do not print your posters on silk fabric as it will not stick to the adhesive on the poster board.

## Award

There will be a prize for the best poster. To enter the competition, please email a **pdf** draft of the poster to [info@icbf.com](mailto:info@icbf.com) by **Monday 3<sup>rd</sup> December** to allow the judges to review your poster. You will get an opportunity to present your research to the judges during the poster session Wednesday evening.
