What Animals are eligible?

Beef breed calves born in the herd of the applicant between 1st July 2021 and 30th June 2022 and their beef breed dams.

When should I weigh my animals?

Calves should be weighed when they are between 5 and 8mths old. The cow and calf must be weighed on the same day before the calf is weaned. If you are participating in the meal feeding option, weighing and weaning must happen at least 2wks before selling the calf. All weights must be on the ICBF database by 5:30 Nov 1st. Rented scales, technicians and borrowed scales will be busy in Sept/Oct so weighing early is advised.

How will I weigh my animals?

Animals must be weighed on-farm using a weighing platform and indicator. The platform is placed in a cattle race (crush) and animals are weighed as they pass over it. An owned/borrowed scales can be used or a scales can be rented.

How do I register an Owned scales?

If you are the owner of a scales you must register your scales with ICBF. Note if you registered your scales in previous years you do not need to re-register it and your scales registration number will be the same as it was last year. If you are new to the scheme or have bought a new scales you can register it by logging onto your ICBF account via the internet or downloading the ICBF Weight Recording app on Google play for Android users or in the App store for iPhone users. You will need to enter your username and password.

- Username: your username is your Herd Number.
- Password: your password is a minimum of 6 characters. If you need a password or cannot remember your current password, there are 3 ways to get your password:

1. Text the word PASS to 089 4577663 to receive your password. NOTE:

Your mobile number

needs to be stored on our database for this system to work.

2. Email Support (beep@icbf.com).

3. Call ICBF on 023-8832883 during office hours (9am-5.30pm).

Once you have logged in, click *Services > BEEP-S > View/Register Owned Scales*. You will need to provide the Make, Model, Serial Number and Year of Purchase of the scales. Once registered, you will receive a scales registration number specific for your scales. If you plan on giving your scales to other herd owners, they must link the scales registration number to their account via the *View/Register Third Party Scales* option.

How do I register a Third Party scales?

If you are registering a third party scales, you must login to your ICBF account online or download the ICBF Weight Recording app on Google Play for Android users or the App store for iPhone users.
