Dear Herdowner,

- The data that you have been recording on your animals through animal events & various National schemes is stored in the ICBF database.
- Beef Herdplus has combined this data with information recorded by other organisations in the Beef Industry e.g. Marts, Factories & AI Companies.
- The resulting reports have already been generated for your herd and are now available for you to use through Beef Herdplus.

Calving
Find out how your herd’s calving performance ranks on a national scale for calving interval, mortality etc.

Suckler Cow
View the performance of progeny of your suckler cows – even if they are no longer in your herd.

Bulltracker
View progeny details for all Stockbulls that you had or Youngbulls that you sold for breeding.

Schemes
Webscreens designed to allow easy input of required data for Dept. schemes.

Stock
View Stock numbers broken down by month & category of animal. Extremely useful for end of year accounts.

Euro-Star
Get a detailed breakdown of the Euro-Star ratings for all animals in your herd.

Slaughter
Slaughter details for each animal together with Lifetime Daily Gains etc are shown.

Inbreeding
Ensures that close matings are avoided before a Stockbull/AI Sire is used.
